Hi. I'm Conner Christian. I'm 13 years old and the inventor of the Rubber Boot Buddy. I like to farm and hunt with my Dad. I found that I was always digging out our rubber boots from the back of the truck. I decided there had to be a better way so; I created the Rubber Boot Buddy. I hope you will try my product. It's sure helped me and I think it will help you too.

The Rubber Boot Buddy Installs easily in the bed of any Pickup Truck.
